SUMMARY

Civil Engineer with a keen design sensibility, proficient in AutoCAD and SketchUp for precise drafting, space planning and 3D visualisation. Adept at translating construction drawings and BOQs into functional, well-executed interiors, backed by hands-on site exposure. Seeking an entry-level Interior Designer role to craft thoughtful, high-quality spaces. Open to relocating across India

DESIGN SKILLS

Design Software: AutoCAD (2D and 3D drafting), SketchUp (3D modelling, space planning and visualisation),Basics of Revit
Design Skills :Space planning, 3D visualisation, drawing interpretation, working drawings, design presentation
Technical Skills: BOQ preparation, quantity estimation, site execution basics, MS Office
Soft Skills :Communication, problem solving, leadership and team management, quick learner

PROFESSIONAL EXPERIENCE

AVS Projects 01/2026 – 04/2026
Intern
Developed proficiency in AutoCAD drafting and drawing interpretation, accurately reading and translating construction drawings to support on-site execution gained basic knowledge of site supervision by observing in ongoing construction activities.

EDUCATION

Bachelor's of Engineering in Civil 2022 – 2026
Basaveshwar Engineering College 6.58 CGPA

PUC 2020 – 2022
Bapuji Independent PU College, badagand 81.5%

SSLC 2019 – 2020
Holy Saint English Medium High School, Bilagi 79.8%

LANGUAGES

English
kannada
Hindi

PROJECTS

Analysis and Design of Residential Building
Prepared building plan in AutoCAD and imported into ETABS v19 for structural analysis.
Determined bending moments, shear forces, and axial forces in beams, columns, slabs, and foundations.
Performed manual structural design as per relevant IS codes (IS 456, IS 875).
Created a 3D model in Revit for visualization and professional presentation

New Tank (Earthen Dam / Bund)
Designed an earthen dam to harvest rainwater and stream water for seasonal irrigation.
Improved groundwater recharge and ensured reliable water supply for agriculture in nearby areas.

INTERESTS

— Learning design software (AutoCAD, Sketchup, Revit), participating in team activities, and developing skills that support career growth in the civil engineering field and Extracurricular activities.

COURSES

CACM 07/2026 – 10/2026
Construction Management Training Institute (CMTI), Bangalore Bengaluru

DECLARATION

I hereby declare that the information furnished above is true to the best of my knowledge and belief. I am willing to work anywhere in India.
